Mary Diane Watercolours & Artistic Creations

Diane was interested in art and various crafts from a very early age, winning some provincial awards for high school art.

Diane studied watercolour art with Richard Hayman and has taken many workshops with Gary Chapman, Edwin Matthews and Sterling Edwards, among others. Her paintings adorn the walls of many homes across Canada, USA, Europe and China.

Knitting is also one of Diane's artistic endeavours, creating small practical items such as scarves, hats and slippers as well as various other items.

Every stitch and each brush stroke done with pleasure and relaxation.
