**Rob Niezen**

Rob Niezen is a painter and printmaker. Painting has long been his primary medium, but since 2018 printmaking has been taking a larger role in his practice.

In printmaking he works primarily with linocuts, including reduction prints, blind deboss, collage and text. His painting and printmaking are influenced by European graphic novels and Dutch graphic tradition, and his approach to layout and composition is significantly influenced by his experience in advertising and graphic design in Europe and Canada. Niezen studied at Vrije Akademies in The Hague and Delft, the Netherlands, and at the Art School of Peterborough. Rob lives and works near Peterborough, Ontario.
